Be Safe - Be Respectful - Be a Learner

Remembrance Day

Remembrance Day was commemorated today with a formal assembly at our flag pole. Our senior students did a great job officiating the day. Thank you to Korban and Hailey who showed the school's expectation of Be Respectful while reading the introduction speech, poems and undertaking the flag protocol. Remembrance Day holds great significance for this community and for this country. Please observe one minute's silence at 11am on Sunday to remember those who died or suffered for Australia's cause in all wars and armed conflict.

They shall grow not old, as we that are left grow old; Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning We will remember them.

Students coloured a wreath and wrote a special message inside for the soldiers of all wars. Mrs Smith helped them research and understand the significance of selling poppies and that the money raised is used to help returned service people.

Principal's Message

Thanks to all students and parents for supporting our Day for Daniel. The Day for Daniel is a National Day of Action to raise awareness of child safety, protection and harm prevention. It is about educating children and adults about keeping kids safe through child safety and protection initiatives. It aims to help empower our children to 'Recognise, React and Report' if they feel something is not right.

I would like to wish Tess all the best in her chosen sport of archery. Tess competes in many competitions and shows she is determined to do well in this sport. Well done Tess!
