Be Safe - Be Respectful - Be a Learner

Principals' message

These holidays we will not be participating in the Share Our Space program where we would open the playground up to the community. This is due to the work being conducted at our school over the holidays. There will be workmen coming and going all holidays including Mr Roffey and Mrs Atkinson completing their holiday maintenance. It would be much appreciated if you could refrain from using the school playground during these holidays. Thank you.

This term has seen a lot of illness go through our school. I hope you all have a well-rested and safe holiday. **Next term there is no student free day – students return Monday October 14th.**

Could I also ask that you are careful these holidays as there are a couple of magpies that have been swooping on the school grounds. Mr Roffey has made friends with one of them.

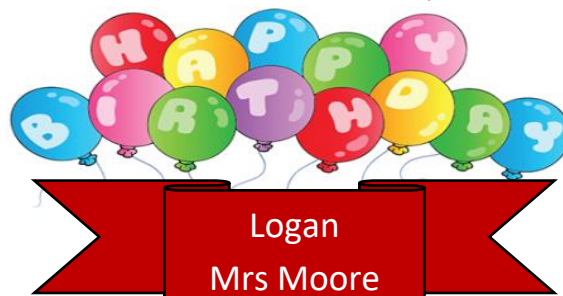

Performing Arts

Congratulations and well done to everyone who performed in the Casino Performing Arts Festival. You all did an amazing job! Well done to Jordan who represented our school by being one of the MC on the night. You read wonderfully and upheld our school values. Thank you to those parents/carers who transported their children to Casino. It was great to see the buzz the students got from performing on the stage. The conversations about the other schools performances and the ideas forming for next year were quite enlightening and valuable. Thank you to everyone.

Lismore Show

The students have the opportunity to attend Lismore Show on the first Friday back next term, 18th October. A permission note will be sent out in the first week back at school as I am awaiting more information from Lismore Show society.

Immunisation records

Could I please ask that all parents bring in a copy of their child/ren's Immunisation history statement in order for us to update our files. You can obtain a copy straight away using either:

- Your Medicare online account through MyGov
- Express Plus Medicare mobile app.

If you are not able to use Medicare online, your vaccinations provider can print your immunisations history statement for you. You can also call the Australian Immunisation Register (AIR) on 1800 671 811 and ask them to send your immunisation history statement to you. It can take up to 14 working days to arrive in the post.

If you require computer access to obtain your statement and to print it off, please see us at the school and we will provide a computer for you to use.

School Uniform

The current school uniform, maroon shirt with white mottled collar, has been discontinued by the company we order through. We have designed a new shirt which will hopefully be here early next term. As part of the transition from the old shirt to the new shirt, the school will purchase each child 1 of the new shirts. Old shirts will still be for sale until the sizes have run out. The remainder of the uniform will stay the same. Sorry to those who have been waiting on sizes to come in for their children. This will hopefully be rectified next term.

Below is the design of the new school shirt. It will have Old Bonalbo Public School Logo on the left hand side as well as Old Bonalbo Public School on the collar. We are looking forward to their arrival.

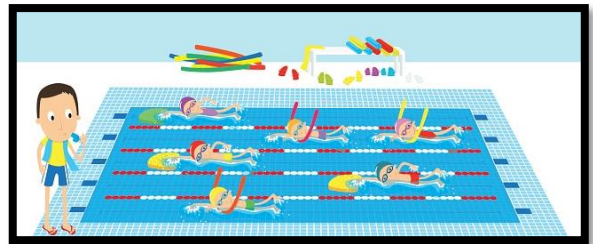

Swimming School

Next Term we will be attending the pool on Fridays as part of our sports program for the term. This will commence in Week 2, Friday 25th October. There will be a permission note sent out in the first week back at school.

Swimming School is Week 6: **18-22 November**.

Please have swimming shirts and swimmers ready. Mr. David Whitney will be assisting us in the pool and I know the students always look forward to this time of the year.

Woolworths Discovery Garden

Woolworths is running a program where every \$30 you spend you receive a seedling kit. If you do not plan on using your kit at home in your own garden could you please send them into the school. It would be much appreciated as the students will then be able to plant them in our gardens.

Thank you to those who have brought in the Woolworths Discovery Garden Pots. These will be used to re-plant our garden beds next term.

School banking

The School Banking program provides a fun, interactive and engaging way for young Australians to learn about money and develop good saving habits. School Banking encourages children to regularly deposit money into their Youthsaver account and earn silver Dollarmite tokens, which can then be redeemed for an exciting reward through our School Banking Rewards Program. Please see Miss Clarke if you would like your child to bank. Friday is banking day.

Congratulations to Lila for earning a Dollarmite reward prize this term – a set of stackable highlighters.

Dates to Remember

Date	Event
Monday 14th October	First Day back Term 4 for Staff and Students
Tuesday 15 th October	Kindergarten Transition 9am-1:45pm
Friday 18 th October	Potential - Lismore show visit
